

SCS/3M Type 2 toner filter does not retain color toner. Users have to order and use the more expensive Type 1 HEPA filter. Atrix 31700 filter handles both black toner AND color toner-saving users a lot of money.

The Atrix 31700 holds more toner than the SCS/3M Type 2. This will reduce long-term filter usage & costs.

Atrix Omega filters are 100% compatible for use in the SCS/3M vacuums.

Atrix Accessories are 100% compatible for use in the SCS/3M vacuums.
